

## Savinobarbera Electric Long Stem Sump Pump

Stock No	<a href="#">MA729</a>
Manufacturer	<a href="#">Savinobarbera</a>
Model	AS30AA
Year of Manufacture	2011
Serial	36275/19
Condition	From a working environment, Good Condition
Capacity	165L/Min
Process Application	Pumping of Liquids
Other Info	Suitable aggressive chemical environment
Location	Our Central Warehouse, Aldridge, UK
Weight (kgs)	20
External Dimensions (WxDxH mm)	350 x 350 x 1500

### Description

Italian manufactured Savinobarbera vertical centrifugal fluid pump for pumping industrial waters and corrosive liquids.

Perfect for any depth while their pump shaft, plastic coated and built in a single piece without intermediate supports, is in no way afraid of chemical aggression. The use of vertical axis pumps eliminates the need for openings at the bottom of the tank and allows the pumping of acids in absolute safety.
