Serial	30108
Condition	From a working environment, Good Condition, Current Model
Work Envelope (WxDxH mm)	1000 x 825 x 600mm
Process Stages	Single Stage
Other Info	Stainless steel : 110Bar Pressure Pump
Location	Our Central Warehouse, Aldridge, UK
Weight (kgs)	500
External Dimensions (WxDxH mm)	1160 x 1050 x 1850mm

### Description

TechJet manual parts washers are ideal for cleaning applications where the contamination requires high pressure cleaning as opposed to a traditional brush washer. A combination of high pressure spray and the chosen heated detergent results in clean components within a short time scale.

### Features

- Stainless steel construction

- High pressure pump and spray gun - 110 Bar
- Electrically heated cleaning solution
- Internal light
- Screen air wash
