

## Barlow Whitney Heavy Duty Industrial WB-E450 Double Door Box Oven

Stock No	<a href="#">OF2657</a>
Manufacturer	<a href="#">Barlow Whitney</a>
Model	WB-E450
Year of Manufacture	REF by ML
Serial	S13890314
Condition	From a working environment, Good Condition
Internal Size (WxDxH mm)	1820 x 1800 x 1820 (5800 Litres)
Max Temp	300°C
Other Info	ATEX Rated Explosion Relief Panels
Location	Arriving in our warehouse soon
Weight (kgs)	1400
External Dimensions (WxDxH mm)	2670 x 2150 x 2510

### Description

An excellent example of a large Barlow Whitney box oven (part of the Almore Group), these large batch ovens are suitable for almost any application from simple drying processes to exacting metal treatments.

This would make an excellent addition for those processing larger batches or singular large items in a production environment.

## Features

- Maximum temp - 300°C
- 36KW of heating power.
- Roof mounted air circulation fan for even hot air distribution within the heating chamber during processing.
- Robustly constructed twin locking doors with internal safety opening handles.
- Steel floor.
- Micro processor temp controller.
- Eurotherm 2704, multi-loop temperature controller.
- Eurotherm 2216E fitted.
- Eurotherm Chessell 5100V data recorder.
- Manually operated vents.
- ATEX rated explosion relief panel.

## Possible Application.

- Stress relieving.
- De-embrittling.
- Tempering.
- Pre-heating of ferrous/non-ferrous/plastic/wood/glass substrates.
- Curing.
- Stoving.

## Electrical Details

- 415 Volt
- 3ph
- 50Hz
- Heater load 36kW
