

## Industrial Composite Material - Pallet 3

Stock No [PAL300](#)  
 Location Our Central Warehouse, Aldridge, UK

### Description

Pallet of industrial composite & insulation material including sheets of grade 1P/13 and kite brand materials.

This pallet contains a collection of material as approximately listed below.

	Description	Size (mm)	Quantity
1	1P/13	1200 x 290 x 12	1
2	Kite	1200 x 195 x 7	4
3		1200 x 250 x 8	2
4	Kite	1200 x 250 x 10	1
5		1000 x 190 x 25	1
6		900 x 280 x 8	2

7		940 x 210 x 8	1
8	Kite	1200 x 240 x 8	1
9	Kite	1200 x 240 x 8	1
10	1P/13	1120 x 220 x 10	1
11	1P/13	1200 x 390 x 10	1

Please Note - Cataloguing based on visual inspection.

### Summary of the Products Below:

#### Grade 1P/13 - Phenolic Paper Resin Laminated Plastic

- Type of Synthetic Resin Bonded Paper (SRBP).
- Cost effective commercial paper based laminate.
- Designed for when an economical material is required with moderate electrical capacity.
- A go-to low voltage insulation material.
- Good mechanical & impact strength.
- Suitable for machining.
- Commonly used for spacers, base/side plates and simple jigs & fixtures.

#### Kite Brand - Paper/Phenolic Resin Laminated Plastic

- Type of Synthetic Resin Bonded Paper (SRBP).
- Premium electrical insulating, phenolic sheet material.
- Has good dielectric capabilities and high insulation resistance, with low moisture absorption & good mechanical strength.
- Although it's impact strength is lower than 1P/13 for example.
- Widely used across general purpose electrical insulation applications for low, medium, and high voltage environments.
- Ideal for components such as terminal boards, insulating supports, sleeves, spacers, handles, electrical enclosures and electrical connectors.
- Suitable for machining.
- Meets British Standard BS EN 60893-3-4 Type PF CP 206.

**Photographs taken prior refurbishment. Our refurbishment service is not available on all machines.**
